Experienced - $24.98   Delaware Wages 2021

The Computer Support Specialist program is a hybrid registered apprenticeship that includes two semesters of related technical instruction (RTI) and 2,000 hours of on-the-job learning.

Participants are provided with the knowledge and technical skills required for a successful career as an IT generalist. Students are prepared to complete a CompTIA A+ Computer Technician Certification and earn a nationally recognized journeyperson credential.

To be eligible to participate in the Computer Support Specialist apprenticeship program, participants must either: A. be currently employed in the IT field, B. provide documentation of a minimum of 12 months of previous experience in an IT related position, or C. successfully complete the Information Technology Fundamentals pre-apprenticeship program.
