Experienced - \$24.28

Delaware Wages 2021

Become part of the fast growing dental industry! This program will prepare you to work as a dental assistant in less than six months.

Classes meet three evenings per week and will provide you with the knowledge and information you will need to succeed. Learn about dental and related anatomy, dental procedures, how to be an effective assistant during dental procedures, how to take dental x-rays and how to prepare the exam room for procedures.

All students are required to pass the DANB national Radiation Health and Safety (RHS) certification exam prior to assignment to a 120-hour externship.

CERTIFICATE PROGRAM
